March 13, 2015

We are pleased to announce that effective March 12, 2015, Kerry Porter has assumed the role of Director of Claims and will be relocating to our New York City Home Office.

Kerry brings a wealth of legal and claims management experience from both his twenty-six years with our organization and during his time as an outside practitioner.

Please join me in congratulating Kerry and in giving him our full support as he executes his responsibilities in his new role.

Sincerely,

David L. McKay
