

Operating safely is vital to your success.

Let us help with that.

- As a UAS policyholder, you earn **SafetyPoints** annually.
- **SafetyPoints** can be redeemed with the Unmanned Safety Institute (USI).
- You direct the focus: apply your benefit to the specific services needed.

SafetyPoints can be used to purchase USI services directly, applied as a discount or accrue for up to three years once registered with USI.

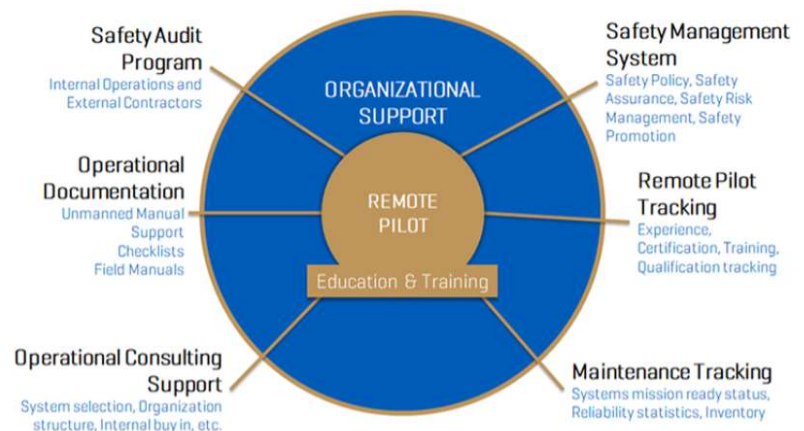

Read more about all USAIG safety services under the 'Safety' tab at usaig.com.
